PRINCIPAL'S REPORT

Hello Everyone and welcome to our last newsletter for Term One.

As another busy term comes to an end we farewell some of our staff. Today we say goodbye to Monique Tucek, Caitlin Lloyd, Janelle Lundy, Mel Mongan, Josie Nicholls and Peter Houpapa. Monique and Caitlin both arrived at our school over three years ago and have been teaching in various roles from classroom teacher to supporting teachers. This year the ladies have been doing a wonderful job supporting our beginning teachers in demonstrating our school programs, completing assessments and having teaching responsibilities in Year 6 and Year 1/2 respectively. Monique and Caitlin are taking the rest of the school year off to travel, we wish them all the very best. I am very happy to say that Caitlin will be returning to our school in 2019. Monique will be moving back to Perth to continue her career after their travels. Both teachers have made a very big difference to the lives of our students and staff and I sincerely thank them for their contribution to our school.

Miss Janelle Lundy's last day is today with us and we thank her for all the hard work and dedication she has shown our school. Janelle has a lovely way with dealing with our students and her warm friendly nature will be missed. Mel Mongan has been working as an Education Assistant in Pre-primary for the last two terms and is heading back to Perth with her family. Mel and the team in Pre-primary have shared many happy times watching the little people in our school grow and develop. Josie Nicholls has been doing a mighty fine job as an Education Assistant with us for over a year and she will be moving to the Goldfields with her family. Josie has worked in many classes in her time with us assisting teachers and students. Nothing is ever too much trouble for Josie as she is always happy to do whatever she can to help.

Lastly, we farewell our school gardener Peter Houpapa. Peter has been using his green thumb to make our school grounds look as lush and healthy as possible. We sincerely thank Peter for all his hard work and wish him well for the future.

Yesterday we had a school performance from the classes that have been working with Miss Kym and Miss Kiera from the Newman Dance Company. Miss Kym and Miss Kiera have been coming in for weekly lessons with our Years 4-6 students to give quality lessons on dance and performance. The students have all enjoyed the lessons and it was amazing to see what skills the students have learnt in a short space of time. Congratulations to all those involved.

Whilst some students from the Years 4-6 classes have been doing dance others chose to participate in basketball. Miss Eva Harris who is a WA state basketball coach and referee has been sharing her skills and knowledge with our students. To highlight the skills the students have gained from the lessons we had a teachers verse students basketball match at lunchtime yesterday. It was a lot of fun and we'll have more as the teachers were the winners. The students have challenged the teachers to a rematch... stay tuned.

Today we had a very moving ANZAC Day assembly by Mrs Bateman's Year Six class. I would like to acknowledge Mrs Bateman and her students for such a respectful assembly. I would like to thank all the special visitors who attended today's assembly.

Today is the final day of our first term, I would like to thank all the staff at our school for all their hard work, dedication and effort they do on a daily basis to better the lives of our students by providing rich learning experiences and a caring attitude. I would like to thank the students for doing their best work and always trying hard and to the parents for supporting our school.

May you all have a safe and relaxing break. We will see you back on deck on Monday, 30 April. Happy Holidays!
