PRINCIPAL'S REPORT

Dear Parents and Carers

Welcome to the last newsletter of the term. We've been extra busy over the last few weeks packing so much learning and fun into our days.

Last Friday we had our "Talk like a Pirate Day" and raised \$190.80 worth of donations for research into Childhood Cancer.

Our German Immersion day was held last Wednesday and saw Year 3-5 students from our school and Newman Primary participate in a range of fun and collaborative activities that honed their German language skills. The day was a real hit and we really enjoyed spending the day with the Year 3-5 Newman Primary students and staff. A big thank you to Rossmoyne Senior High School Language teachers; Kate Williams and Tanja Colgan who set and led the activities.

Our Nature Playground was officially opened in the Early Childhood area which is proving a big hit with the children.

A couple of weeks ago we hosted the Director General of Education, Ms Lisa Rodgers, the Deputy Director General, Mr Stephen Baxter, and Principal Advisor Mr Kevin O'Keefe. All guests were treated to meeting many of our students and staff as well as engaging with community members.

The assessment data from our school based NAPLAN tests have shown steady growth in progress and achievement for our students. We will be having our parent meetings to go over individual student results early next term.

We farewell the lovely Miss Rebecca Summerfield today as she leaves town to welcome her twin girls into the world. We wish you, Jess and your family all the very best for a healthy and happy future. Welcome to Miss Kirby Betts who will be the new teacher for the students in Room 14.

And that's a wrap for another term at sunny South Newman Primary.

May you have a lovely holiday break and keep safe.

Warm regards,
Katie Wallace
Principal

WEEK 4 ASSEMBLY ITEM

AUSSIE OF THE MONTH

SOME AMAZING
YEAR 1 WRITERS

Congratulations Dane!

ART

Science with Mrs Marr

We celebrated Education Assistant Appreciation Week to say thank you to all of our hard working, dedicated and amazing EA's who go above and beyond every single day to support our students and staff members.

Primary Enrichment and Experience Program

The Year 6 students participated in the PEEP Program at Newman Senior High School each Tuesday after school for four weeks. The program offers the students with an orientation into high school and providing them with an opportunity to experience different subject areas such as Science, Junior Master Chef, Woodwork, Mad Scientist, Sport, 3D Modelling and Coding. The students thoroughly enjoyed the program and will follow up with an orientation day in Term 4.
